

# Digital Marketer

## Level 3

# Apprenticeship Standard

The primary role of a Digital Marketer is to define; design; build and implement digital campaigns across a variety of online and social media platforms to drive customer acquisition, customer engagement and customer retention.

A Digital Marketer will typically be working as part of a team, within which they will have responsibility for elements of the overall marketing plan or campaign, working to defined marketing briefs and instructions.

Our Digital Marketer apprenticeship develops knowledge and competence in the principles of marketing, digital marketing and coding. It is assessed through work-based tasks which are developed into an overall portfolio of evidence.
